

## Family Engagement

We define family engagement as a shared responsibility of families, schools, and communities for student learning and achievement.

## Core Beliefs

- 1) All parents have dreams for their children and want the best for them.
- 2) All parents have the capacity to support their children's learning.
- 3) Parents and school staff should be equal partners.
- 4) The responsibility for building partnerships between school and home rests primarily with the school staff, especially school leaders.

(In December of 2015, President Obama signed the ESSA which reauthorizes ESEA and replaces No Child Left Behind. The 2016 – 2017 year is a year of transition.
